CONNECTING

The COVID-19 pandemic affected volunteerism across the nonprofit sector, but Hope 4 All was still happy to help our neighbors provide meals to those in need. We sorted food and delivered bags to cars at Grand Prairie United Charities' food bank, handed out meals for children with the Grand Prairie Family YMCA, and distributed donated chips from Frito Lay at the Park South YMCA.

COLLABORATING

We believe we are stronger when we collaborate and seek out opportunities to join forces with other organizations. In Q2, we enjoyed working with several local nonprofits to provide food for our neighbors in need: Grand Prairie Family YMCA, Grand Prairie Homeless Outreach Organization, Grand Prairie Host Lions Club, Nicklas Foundation, and Stars United Global Charities.
